

Redox Flow Battery Test Station

Redox Flow Battery

Feature

- Electric Charge & Discharge Module
 - DC Load and Power Supply Control
- Electrolyte Tank (PE)
 - Full Drain Inductor Tank
- Electrolyte Pump (PVDF Impeller)
- Flow Meter (PVDF)
- Cell Voltage Monitoring
- Temp Monitoring (PTFE)
- Heat Exchange (Plastic Materials)
- CPVC Pipe
- Pressure Sensor (PTFE)
- Full Automation Control Software

< Single Cell & Stack Test station >

Test Range

5kW

30kW

< 5kW Test Station With Temperature Chamber >

< 30kW Test Station >
